## THE BOSTON CUP

In 1974, a trophy was presented to Bangor Rugby Club by Mr. & Mrs. Ronnie Boston, leading members of the club, the trophy to be played for under the Bangor Floodlights between invited Senior and Junior clubs in Ulster.

The Boston Cup thus became the first floodlit competition in Irish Rugby, a most prestigious tournament, and Boston Cup nights in Bangor every Tuesday from September to Christmas, have become a mecca for many thousands of rugby enthusiasts throughout the Province, since that year.
